CLEANING IS ABOUT CARING

We want to be your ally. We are ready to help you with everything you need to maintain the property in order for guests or owners.

We believe that good experiences begin when someone cares! Our team is ready for this assignment. Are you?

HOW IT WORKS?

We will ensure your unit(s) is not only perfectly clean, but we help you to keep it well maintained by reporting any issues.

Our team follow guides to service with detailed activities in order to achieve the required standards for each property.

We will send you pictures during the cleaning to show you how everything is going inside the property, this will give you the flexibility to improve standards any time.

Every property cleaned must pass a rigorous quality control to ensure your guests have an amazing experience.

Using our technologies you could schedule your cleanings easily whenever you need.

WHY CLEANING KINGDOM?
